**\*\*\* NEW INSTRUCTIONS \*\*\*** [Interviewer: This instrument should be administered **ONLY** if the participant is of age 60 or older. **IF THE PARTICIPANT IS 59 OR YOUNGER, SKIP THIS SECTION.** (and start the ACASI section)]

[Interviewer: Prepare timer for animal verbal fluency test. If audio recording is allowed, do not record entries during the interview and transcribe from audio recording later. Note timestamp on the recorder if one is in use. Recorder timestamp: \_\_\_\_\_ ]

*The next part of the SHOW exam has three exercises or quizzes for you to do. These test your memory.*

*First, I would like you to name as many animals as you can think of in one minute. I will tell you when to start and stop. Do you understand the directions?*

[Interviewer: Wait until the participant indicates they understand the directions, repeat directions if they are unclear.

**Start timer. Watch for 60 seconds and stop participant. If no audio recording is available, enter all entries during this time. Note repeated names with a P (Perseverations) and responses that were not animals as I (Intrusions).]**

COG.010. Please name all the animals you can think of until I say stop. (Do not wait for me to finish writing each before continuing.)

COG.030 Please take this paper with the circle on it. Inside the circle, please draw the hours of a clock as they normally appear.

**[Interviewer: You may repeat the directions but no other assistance should be given]**

COG.040. Place the hands of the clock to represent the time: “ten minutes after eleven o’clock.”

**[Interviewer: The instructions can be repeated but the time must be indicated as “ten minutes after eleven o’clock” only (e.g. do not say “eleven ten”) and no additional instructions should be given.]**

COG.050. Please repeat the 3 words I asked you to remember earlier.

**[Interviewer: Check the box beside each correctly stated word; if word is incorrect, leave the box blank.]**
