The next part of the SHOW exam has three exercises or quizzes for you to do. These test your memory.

First, I would like you to name as many animals as you can think of in one minute. I will tell you when to start and stop. Do you understand the directions?

[Interviewer: Wait until the interviewer indicates they understand the directions, repeat directions if they are unclear.]

Enter all entries and stop after 60 seconds. Note repeated names with a P (Perseverations) and responses that were not animals as I (Intrusions).]

CGQ.010. Please name all the animals you can think of until I say stop. (Do not wait for me to finish writing each before continuing.)

[Interviewer: Write down each animal]:

COQ010 FMT_NUMERIC.
