*The next part of the SHOW exam has three exercises or quizzes for you to do. These test your memory.*

**[Interviewer: Prepare timer for animal verbal fluency test.]**

*First, I would like you to name as many animals as you can think of in one minute. I will tell you when to start and stop. Do you understand the directions?*

**[Interviewer: Wait until the participant indicates they understand the directions, repeat directions if they are unclear.]**

**Start timer. Watch for 60 seconds and stop participant. Write all entries during this time. Note repeated names with a Ⓟ (Perseverations) and responses that were not animals as Ⓛ (Intrusions).]**

COG.010. *Please name all the animals you can think of until I say stop. Do not wait for me to finish writing each before continuing.*
