If you prefer, you can also listen to the questions being read to you. I have headphones for you to use if you decide you would like to listen to the questions.

This section is very important – that is why it is set up this way using the laptop independently. However, if at any time you would like me to read these questions to you instead of reading them yourself or listening to the audio, just let me know.

Please settle in and take your time to read or listen to the questions and give your answers. This section will take about 10 minutes.

If you have any questions for me during this section, just let me know.
