

Stress

This section of the questionnaire seeks to measure how often people experience certain feelings and behaviors.

Please read each statement and fill in the circle that indicates how much stress you experienced over the past 12 months. There are no right or wrong answers. Do not spend too much time on any one statement. Fill in the circle for "Does not apply" if you have not been in this situation in the past 12 months.

1. Over the past 12 months, how much stress did you experience...

Not stressful Mildly stressful Moderately stressful Very Stressful Does not apply
